The Premises:

Similar to a Soho walk-up. Security grille at the top of the stairs, the flat was clean inside. A busy main road, felt safe.

The Lady:

There were two ladies who introduced themselves to me, and I opted for Yoko as I'd seen her before, in Eltham, about a year ago.

Yoko has put on some weight, but the good thing is that some of that is on her breasts, which are, natural, large and heavy with lovely responsive nipples.

The Story:

A wonderful session with a very sexy lady. Yoko knows just what to do, and she does it with charm and enthusiasm!

After the main event she gave me a very good massage, then, when I got up to get dressed, she insisted on dressing me! An unusual touch - is it a Japanese custom?

Heartily recommended.
