The Premises:

Situated above a flooring business. Discreet entrance at the side and up some stairs. Inside is quite well finished with a number of rooms including a dom one. Was greeted by a lovely receptionist and had to wait 40 mins but was offered an ice cold stella.

The Lady:

How can I describe Suzanna? Simply stunning. A gorgeous blonde with an amazing body. Tall, slim, elegant and dressed in a mini kilt, black hold ups and bra with heels. Gorgeous 36DD chest and shaven pussy. If there was an angel on earth I met her here

The Story:

Asked if I wanted a massage or oral to start with so chose the oral which was mind blowing. After a few minutes asked if I could return the favour and what a taste. The pure sight of her backside and pussy in front of me nearly had me finishing before I wanted. On to doggy for a while then a little more of a taste and tease before moving on to missionary. Great kisser too. Suzanna kept talking throughout encouraging me when I was doing something she enjoyed with the most sexy voice I have ever heard. It wasnt long before I had to blow the load over her more than ample boobs. I did miss a bit as I didnt want to pull out her tight sweet snatch and some ended on the bed. If she wasnt so busy and had a queue waiting I would of gone again straight after and concentrated more on giving her oral and those amazing boobs. All in all a brilliant half hour with a totally beautiful girl and will definately be back again. Might see if she does a bit of dom next time dressed up in latex and find out what other extras she does.
