The Lady:

She's slim and shapely, dark shortish hair, great smile, really good figure and legs. Perfect boobs. Her site says she's 40 although I would have guessed less! Very pretty and sexy looking.

The Story:

Arrived as planned and I was relieved to meet a personable, chatty and really sexy lady.

Arrived dressed in stockings and spikey heels. Chatted for a bit while she provocatively revealed more and more of her body until it was clearly time for action. She took control perfectly. Claire's BJ technique was outstanding. By this time my hormones were in a frenzy that drove the rampant cavorting that followed to a perfect ending!

I will keep her details for my next trip to Cumbria. She's a great find and memorable. Damm good price for a damm good experience.
