The Premises:

Well known

The Lady:

Angelina is a bouncy blonde from Latvia with a lovely friendly personality.

The Story:

Apparently some punters don't go for her simply because she is 'Russian' but they are really missing out. Her English is easily good enough to let conversation flow and she is great to be with. Angelina was scarcely in the room when I was hit by her really bright and smiley personality.

As usual, I asked for a cuddle first and there is a good deal of lovely Angelina body to cuddle and much of it satisfyingly firm.

Hands and lips roamed and she kissed enthusiastically between the jokes and laughs.

We moved on to oral, 69 and sex in various positions and Angelina was very obviously fully involved and everything seemed far removed from a paid-for encounter.

Not the shape I would normally choose but very pleased I met Angelina and she is a definite star among the impressive new Sirens line up I would have no hesitation seeing again, especially if the one I call my 'wife' was not round?
