The Premises:

Very old medieval castle hotel in County Durham. Safe and secure and in a courtyard so no need for lady to pass reception.

This meeting was quite a while ago but she did make such an enduring impression on me that I thought I should write a review even though its a bit overdue

The Lady:

5' tall, very shapely legs quite slim body, gorgeous " GG " natural boobies.

In a nutshell,----- " little sex bomb "

Apart from her lovely body, she has the most teasing, sparkling eyes and a fantastic smile which does it for me every time.

The Story:

I watched from my window as she arrived in the courtyard and I was definitely well pleased. She looked like a bundle of joy.

When I opened the door and she entered my room I knew she was going to be a real bundle of joy. She removed her top layer of clothing and revealed her stunning body to me and we just seemed to hit it off together from the very beginning. She looked gorgeous, she smelled gorgeous, she tasted gorgeous, and she was certainly no novice - she knew how to make me happy, and she really did. Thanks Charlie for a lovely time.

I can sincerely say I am easily satisfied by the best and you are certainly one of the very best
