The Premises:

The flat was located near Sainsburys in Milton Keynes, Location extremely secure, bedroom was immaculate with all that is needed for an excellent punt.

The Lady:

One Word Stunning! Helen Let me though the front door in a sexy black dress, underneath a matching black laced bra and knickers.

The Story:

Well where does one begin, i was a little late though my own fault however Helen understood my dilemma and didn't effect the experience in any way. Not a fan of reading peoples whole account however, we both enjoyed a variety of positions, OWO, OR, CIM and Rimming. She truly is a GFE, anyone who has not yet been to see Helen must do so now, you will never need to see another woman she is fantastic. Only if i had met her outside the agency she would definitely have caught my eye.
