### The Premises:

Nice flat, the sitting room furnished in African safari style, in pleasant tree-ind street. Discreet and totally safe.

### The Lady:

A gorgeous, slim but very busty black woman in her 20s. Hair colour variable. Did I mention the bust? Magnificent!

### The Story:

I've seen Candy a couple of times now and she's amazing. As well as being gorgeous, she's up for more or less anything - except A level, which doesn't bother me personally. And along with the OWO, CIM etc., she also offers TLC - and it's this human side of her which, more than anything else, made me want to go back and visit her again and makes me want to do so again many times. She's easy to talk with (English is her first language), warm, kind and really out to make you feel good about yourself and about life. And that, in the end, is what it's all about. A GFE in the best sense. Definitely recommended.
