The Premises:

Top quality ground floor apartment, not too far away from the City Centre. The room included an ensuite bathroom which had adequate towels and nice toiletries except for mouthwash. Why most agencies and similar places don't offer mouthwash is really upsetting.

The Lady:

Absolutely gorgeous with model type looks. In fact, she could easily be on the cover of glamour magazines??BUT WAIT, only if she was as good as she appears in her website photos.

In real life, although Lara is not ugly by any means, she is nowhere as attractive as she is portrayed by her photos on the website.

The Story:

I agree (but not so adversely) with the punter who has reported on Lara (FR 103658) about Lara not being like her photos. This is mainly due to the fact that Lara wore no make up at all. I was Lara's first punt of the day, so it seemed as if she had jumped out of bed and rushed off to work without even brushing her teeth or combing her hair.

The lady did try to offer me a good time and seemed to enjoy herself; and her kissing was quite good but her appearance was nowhere like what I had expected; and she also had a slightly bad breath which was off putting. The bad breath was only slight, and it was only at the time of my appointment, so punters, please do not assume she has bad breath purely based on my comments.

Perhaps the worst part of the appointment was communication between Lara and me. Lara was very quiet; and during the time we spoke, we could not understand each other. A lot of the time was spent repeating our sentences. I don't think Lara's English is perfect, at least not with me.

I would recommend Lara to others but only if she improves her appearance.

I will not be returning as there are better ladies out there that are more suited to me.

The agency is however top-notch, and I will definitely return there to see other ladies.
