The Premises:

Not the most discreet walk up in town, but quite nice once you get inside. One of the better locations which over the years has produced more than its fair share of good girls.

The Lady:

British Indian girl, aged 25. Well spoken with a slight northern accent. Possibly the most down to earth, chatty wg ive visited in Soho on a first encounter. Slim with quite big boobs , possibly a c cup. Very nice they are too. Big erect nipples. Hairy pussy. Sexy figure and everything in proportion.

The Story:

Paid for a covered bj with sex in miss. Wanked me for 2/3 mins, then sucked for about 5. Good eye contact. Not the best bj ever, but certainly not the worst. Did the trick anyway. While this carry on was going on, i was fingering her which she said was fine with two fingers. Lovely tight pussy, which was getting a bit wet.

Sex was in the bog standard position, and there were a few groans and grunts from her which turned me on, even more. Ran out of engery in the end, so off with the johnny and she tossed me off, which my spunk making a mess of her hand and nails. Very pleasant lady and eager to please.
