The Premises:

Very clean and tidy. WC needs a new push to flush button, bed was a little squeaky but that added to the atmosphere. Over all, a very pleasant place to be.

The Lady:

As photos and description on website. Photos don't show Mei's face but she is very pretty so no need to worry on that account.

Beautifully proportioned, lovely tight body and amazing boobs.

The Story:

After initial delays (caused by me and Annabellas were very accommodating) I found myself sat on the bed in a bigger room than before.

A few minutes to settle the nerves and have a drink of OJ and Mei walked in.

Sorted the paper work and on to the fun stuff. We both enjoyed the use of the full length mirror.

Fantastic kisser, both on my lips and other places ;-)

This visit was to end a particularly long dry spell at home so I'm sorry to say after some amazing oral, cowgirl and then missionary with such a sexy woman I couldn't last very long. Once we had cleaned up we had a great chat on the bed before saying our goodbyes.

My only regret about seeing Mei? that I'd left it so long before seeing her. I don't punt regularly, so usually pick a different lady each time, however I will definitely see Mei again.
