Easy to find, clean apartment with a comfortable bed.

The Lady:

Anita is as described and pictured on her website. What you don't see there (though perhaps you could guess actually) is her lively personality, her warm and very 'tactile' welcome, and her kissing power which is significant.

The Story:

I drive past Junct. 14 of the M1 frequently but I rarely have an excuse to 'disappear' for a couple of hours so I consulted my 'little black book' - the section on ladies I felt I'd like to meet. - and there was Anita. My booking was handled very efficiently and Anita's directions for the final leg of the journey were helpful.

Anita welcomed me with great warmth - hugs and deep kisses from the word go. A nice cup of tea was offered and accepted. We spent around 15 minutes just chatting and drinking tea. Anita has had an interesting life I thought.

We moved to the bedroom and stripped off and began some deep kissing, fondling and nipple sucking as well as my receiving a good seeing to with her mouth and fingers on my balls. I was keen to give her pussy a good licking and she responded very nicely to that becoming rather wet down there and with swollen nipples.

After a short break, during which time Anita gave me an enjoyable body massage, it was time to get covered up and we agreed on doggy and lying-down doggy. I thought that a position we both enjoyed. Later Anita rode me vigorously in cowgirl and finally I finished myself off whilst Anita breathed some dirty ideas in my ear.

This was a good punt and a sensibly priced one I think. Anita is most definitely not 'controlled' by anyone.
