The Lady:

got details for Tamara on the purple site photos looked great! Bit disappointed on arrival not as good as the pictures but never the less had a nice pair jugs and average ass. 5'6 medium build not bad looking 5/10, dark shoulder length hair.

The Story:

asked for her to dress as a secretary but did not get that when I turned up! Sorted out money it is 1/2 hour ?80 & 1 hour ?140. From the pictures I thought I would do an hour but opted for ? hour after seeing her. Asked me to take off my clothes, which was not a nice touch always nice when you are helped. Anyway she then asked if I would like her friend to join us! I said why not she then asked for ?40 thought why not. Started off with a covered BJ by Tamara only was ok nothing special then she jumped on board rode me like she really wanted to make me come quick, her friend let me play with her but said no to everything else as I paid for this service only! Did a bit of doggy then asked her to get on top so I could see the jugs bouncy! To be honest I really wanted to get out as I felt a bit rushed with every thing and the girls where not my standard but felt horny so I thought why not, really wish I had not, but hey every hole is a goal!!!
