The Premises:

As reported on. Clean quite ground floor flat off the main car park. No need to pay for parking at this time and easy to find a space close by.

Clean towels provided

The Lady:

Stunning young blonde bright eye British girl with an Essex accent. About 19 or 20. 5ft 7, Size 10, 34C chest.

The Story:

Welcomed in. Was quite busy at the time and had to wait for a while but welcomed into the kitchen, with Lottie, Caitland smouldering in a bathrobe on the sofa and Elise popping in a just a towel.

Wowser!

Soon room was made ready and waited for Pippa. Her first day so was anticipting her being nervous but she came in with a smile.

Said our hellos and a little relaxing chit chat after sorting out the finances.

Started with giving her a gentle massage to relax her before falling into LFK, sometimes falling into deep.

Moved down her body to give her a nice long session of RO.

My turn and a great session of OWO. Pippa doesnt seem as inexperienced as she seems. Asked if shes comfortable with CIM. Yes she said. Certainly not as inexperienced! And she didnt seem to spit it out either.

Relaxed after with a chat about the world before a lot more kissing and cuddling before OWO and 69 to start off round two ending in sex in cowgirl.

Relaxed for the final moments and ended up kissing and cuddling standing up in front of the mirror. Great girl, still a little inexperienced and nervous, but a great time with a stunning girl.
