The Premises:

Discreetly situated in an industrial area with plenty of parking available. Easy to find, and once inside i was really impressed with the cleanliness of her place, (as have visited some right dives in the past). Nice decor and the room was warm and tidy.

The Lady:

Once inside i was escorted into a room by a friendly maid. I had already booked the indian lady, and had a brief wait in which time i was offered a drink. 5 minutes later, Aleesha entered the room, when i saw her in person i wished i would have booked for longer. Aleesha is a beautiful indian lady, whom i would place in her early twenties, with long black hair, with a sexy smile and curves in all the right places, not to mention lovely big boobs!

The Story:

Aleesha gave me a long relaxing massage and teased my cock to, and gave me the best deep throat oral ever!. She is a very friendly and chatty young lady with a good sense of humour and a lovely personality. She gave me a fantastic time and did not rush me at any point. The best experience i have had to date. She is extremely horny and knows exactly how to please a man. Thanks Aleesha, see you soon babe, without a doubt.
