The Story:

Welcomed with a great smile at the door and quick kiss. Shown upstairs into the bedroom - large double bed and dealt with the formalities. As requested on the phone she slowly removed her clothes with some assistance from me. Couldn't wait to feel those great boobs and I was not disappointed. Cuddled up and ran my hands between her legs to feel her shaved pussy. By now she had remove some of my clothes and was inside my pants feeling my cock which was rising. Once naked we both lay on the bed and cuddled up together as she slowing played with my cock. Holding my balls gently in her hand and with the other hand teasing the tip of my penis. I was in heaven. We entwined ourselves with our bodies pressed against each other. Several times I was close to cumming as my cock ribbed against her body and she held my balls but Nicky knew when to pull back. It was then on with the cover and she went down on me with some fantastic oral deep in her mouth and again would have exploded but wanted to feel her warm pussy around my cock. She raised herself over my cock slowly slid down on me. I could feel the tightness and warmth of her pussy around my cock and then with her boobs bouncing road me until I could take no more. I shot my load cumming again and again. A fantastic time. Afterwards there was no rush as I dressed and chatted with her. Treat her well. I will be back for more. Thanks. I am still tingling.
