The Story:

Have no words! To be honest I didnt expect this girl to be a real lady! She is very classy, very open-minded, sensual, sexy, great looking, hot.... and everything else what you can say about the girl which just blow your mind!

About service... I felt shame to ask her what kind of services what she does, I just let her to do what she wants... wasn't disappointed at all! I did enjoy every kiss! I dont know why, but with girl like Amelia you just want to be with her and to have some romantic and hot time. I can say without any doubt - The best GFE in London!
