### Details of Service Provider:

### The Premises:

Typical Soho walkup. Pretty busy area so not exactly discreet, but nobody seems to be interested in anybody else, so not a problem. Seems quite a safe area, at least during the day.

### The Lady:

Indian girl, but born here I think. Nice figure, quite big tits with big, suckable nipples.

### The Story:

I went for the standard service, which was a covered blowjob and sex in missionary position. Blowjob was quite good and she let me slip a finger up her as she did it. Then onto the fuck, which was quite good as Sunita has a nice tight pussy, so I didn't last very long, but then I only had 15 minutes anyway.
