The Premises:

Waiting room can be a bit public if you want to be discrete. Lots of lads mags on the table. All the rooms are very nice and big with a shower in each and (if you like that sort of thing) sometimes you have the porn playing on the TV in each room. Rooms are usually very clean, bins in each room, car parking at the rear and average walk from Crewe station (next to kebab shop)

The Lady:

Cute, Blonde, blue eyes, nice shapely legs, she kind of reminds me of Chantelle from Celebrity Big Brother. The photos on the Brooklynn's website don't do her justice - she looks a lot better in the flesh (as it were)

The Story:

Started with a soft massage. Liked her kisses, really soft and gentle, nice sensual head (slow and smooth not too rough like some) and finished with her on top. Kept it without specials because I was not in the mood but still really memorable. Had a nice chat throughout and after and had a shower after - a great experience after a really crappy day. Would visit her again but she is very popular.
