### The Premises:

I will keep it short - Public waiting room, clean rooms, parking in the back and a short walk from the station. Second to Excell in atmosphere and friendliness, Brooklynn's is one of the nicer parlours in Crewe.

### The Lady:

Young, blonde, cheeky and has a dirty smile. Everything about her was sexy to a T - sort of like a sexy student/schoolgirl type that could play it innocent but then sort of grin and you get chills down ya. I have met her before and she was wearing a kind of a bikini thing and that was pretty hot. This time around she had her uniform on as well and THAT was a vision...

### The Story:

Fallon + Uniform = AWESOME. It blew my mind totally! (Freakin almost blew my load looking at her) Strutting in her outfit and then laying on some dirty talk (I couldn't say much because my mind was VERY preoccupied) then bending over the bed, stretching that pert bum over the bed and giving me a dirty smile. (It was one of those rip your clothes off moments) Some spine tingling kisses, deep head and then ended up with me on top of her and my load just erupting out of me with her still keeping up the dirty talk. I never needed more than coffee afterwards....

Definitely worth seeing but, like all the popular ones, might need to book in advance. (Seriously BOOK)
