Details of Service Provider:

The Premises:

A typical walkup, clean and functional inside.

The Lady:

The card described Bianca as tall and slim and that was correct. She is dark haired with small A cup boobs, long legs and a lovely tight bum.

The Story:

This was a bit of a perfunctory punt, but ok all the same. The usual menu outlining the services offered. I chose oral and sex in one position. Bianca didn't pull the keeping her bra on trick and stripped completely. The covered O was ok as was the sex in the doggy position with me standing.
