The Premises:

As reported so many times. Perfectly fine place and easy to find. No complaints from me.

The Lady:

The pics on the website have usual air-brushing, but fundamentally she is what you see on the website. Gorgous girl, black hair, wonderful boobs..

The Story:

I have read a few comments about Karolina not being as attractive in the flesh as she is in her pictures. With that in mind I lowered my expectations somewhat. I needn't have bothered - the opposite was true for me and Karolina is even better looking in person than in those pictures in my opinion.

I know individual opinions differ, but if I don't think a girl is stunning to look at I certainly won't say that she is, but Karolina is a wonderful looking woman with a fantastic body and magnificent boobs.

I have gradually started to prefer the more full-on girl, and even though Karolina wasn't quite as full-on as I had expected she certainly wasn't backwards in coming forward.

Excellent owo interspersed with her coming back up for more kissing and tit sucking before I reciprocated with RO. No sooner had I gone down on her before she ordered me in her sexy Italian accent to 'stick your finger in my pussy?! Fantastic stuff that we both enjoyed.

Back to her sucking me off and it wasn't long before I couldn't hold on any longer and unloaded into her mouth.

There were still a few minutes left so after cleaning up we lay cuddling with her gently playing with my cock whilst having a very nice and interesting chat. She even did a very cute impression of my Brummie accent!

Of course it's always the little details that make a great punt and they will remain private, but

Karolina is highly recommended by me. After all, a great looking girl with a really nice personality who is good at her job. What more can you ask for?
