The Lady:

Have seen Alex once before in another establishment. She has some great breasts, very fair/pale skin which is smooth to the touch, blonde hair and a face that has got the 'come and fuck me' expression all over. Not to mention perfect toes with maroon polish

The Story:

This was one of my best encounters of the past year. Alex is the type of babe that I would fancy right away and who can give me an instant stiffy.

Our encounter started off by undressing each other and me cupping her breasts and sucking on her sexy nips. Some tongue kissing followed, then a bout of 69. Her pussy was so fresh, that I couldnt stop giving her head. Sex was in mish and then doggy and I performed some rimming on her.

Alex knew exactly what I needed and how to perform it on me. For example her handjob at the end was just sublime, never had it done like that before. She talked dirty all through out the encounter calling herself my slut which was a great turn on.

Will see Alex as much as possible in the coming months as I am certain that she will be able to fully satisfy me everytime
