The Story:

Had an excellent time , although i am pretty regular at MKE (when i am single which is too bloody often!)I always get a bit nervous but Alicia made me feel very relaxed and she is very sexy and alluring. I have mostly had great experiences at MKE/HOD/Annabellas etc but Alicia was one of my best. Absolute gorgeous voice - u could very easily just enjoy her company without the benefit of her hot body ! She was exactly my cup of tea , and her OWO with those gorgeous lips was fantastic beyond belief. If u like real girls and not barbie lookalikes , u wont be disaapointed with Alicia. When i go next I will definitely be trying a few more specialised services with Alicia ! A real catch! Hotter than a heatwave in July!!!
