The Premises:

Posted about Ego before and as usual the place was spotless, safe, right beside a free car park and i had the added bonus of being greeted by whom i consider Ego's no 1 receptionist.

The Lady:

What can i say about Lucy that her pictures dont, besides her personality is second to none. Shes very warm and freindly, bubbly, chatty with a wicked sense of humour and of course that northern accent which i find quite sexy and also her looks..

The Story:

I was shown straight up to the room and Lucy joined me within a couple of minutes.. Straight away her gorgeous personality stood out and i must say that was distracted by the site of her gorgeous body.. Id elected for the body to body as i always do.. Lucy took care of everything from start to finish, all i had to do was lay there and enjoy her touch of both her hands and her body. Calm relaxed and unrushed from start to finish, and boy what a finish..

Gents Lucys looks, personality and body are a treat to behold and her massage techniques second to none, so as rare treats like Lucy dont come along too often take advantage why the chance is there... I WILL, and il make the most of her why i can. Thanks Lucy XX
