### The Premises:

Clean & safe

### The Lady:

Cute face, great natural boobs, not a porn star physique

### The Story:

Jada took a little while to settle in as I was new for her but I needn't have worried.

She started with a gentle massage and then we settled into a nice rhythm with the bodywork.

The most enjoyable aspect of the experience was (surprisingly) the conversation. That is no affront to her physical skills and attributes. I felt like we got along really well with her making a big effort to be accommodating and pleasant.

So if you fancy an 'intellectual' and comfortable punt, she is the one to go for.
