The Premises:

This is a very nice basement apartment close to South Kensington Tube, so I actually just walked the 5-10 mins over to her. Very discreet, and I was glad I walked as the parking was limited. The apartment is spotless and the bedroom and bathroom were well prepared, choice of condoms and lubricant/oils :) plenty of clean towels, bathroom en-suite.

The Lady:

Mila is just like in her photos, this girl is staggeringly good looking and dresses beautifully. You really do feel you have seen her in a regular movie sometime, she moves with that easy movie elegance. Great smile and very friendly, it was like we were old friends when I arrived. She speaks very good English with an accent, but is obviously well-educated. Main impressions: Intelligent, Friendly, Very Attractive, Sex on Legs, and Easy Erotic Elegance.

The Story:

Superb, everything you want from a GFE, great conversation, real ambiance, friendly accessibility. Mila kisses and lets you touch her and caress her and she readily responds! Then the foreplay involves some accomplished partial undressing and fondling on the sofa before moving to the bedroom. Mila is very skilled at oral with good technique and motion :) For the main course you can take her anyway you want, but she will also ride you very enthusiastically. The interesting thing for me was the easy way we got to the A-levels (which is why I paid ?350 rather than ?300) which is not my usual preference, but it worked very nicely. After we had time for a drink and a chat, and I left with a long lingering kiss at the door with a smile.
