The Premises:

Pleasant house in a suburb of Plymouth. Easy parking nearby, very safe.

The Lady:

A pretty girl in her mid 20s with long dark hair, small perky tits, and wonderful eyes. Trimmed, not shaved. Slim and about 5' 6".

The Story:

Lucy provides an outstanding GFE. Extremely affectionate with lots of uninhibited kissing, touching and stroking. She is polite, intelligent and funny. Very relaxed and confident, she struck the right balance between leading and responding. A fantastic attitude and a thoroughly professional girl: I never felt she held back but gave herself to me. Apart from the kissing she provided OWO and sex in many positions. Unlike any GF I've ever had we finished with the most spectacular CIM. She went on and on and was in no hurry to stop when I came: certainly none of that gagging and running to the bathroom that rather spoils the moment sometimes. I shall return to try some other services (no anal). All in all a really splendid time. She is one of at least three girls in Plymouth that provide a service that outshines most I've found in London (perhaps with the exception of Aisha).
