Tall leggy, dark hair, small but nice tits, bum to die for.

### The Story:

Having had a quick shower, Alex joined me in the room, bringing with her a gratefully received glass of orange squash. We started by her giving me an excellent back massage, then over for some covered deep throat oral, which was excellent. Then change places so that I can go down her sweet pussy. After I had finished down below, Alex gives me a bit more O, before we move on to the sex. Missionary followed by doggy and reverse cowgirl. It all ends with me wanking off.
