### The Premises:

First floor of converted warehouse. Rooms are large and clean, shower was poor though, due to lack of water pressure.

### The Lady:

Tall, blonde, fake tits but nicely done. Shaved pussy.

### The Story:

Started with back massage, Jeri using her full boobs to great effect. Turned over for some excellent deep throat O without. No extra charge for this here. Switched places to allow me to eat her out, slipping a finger into her tight pussy as my tongue got work on her clit. Then on to the main course, We struggled a bit at first, trying missionary and her on top before eventually getting the old fella in, with me on top, but once we had sorted that out I and I started fucking Jeri I didn't want to come out as her pussy was so nice and tight, but tiring I had no choice, but as I pulled out her pussy was gaping open so I watched and wanked off, as she teased herself.
