### The Premises:

Nice 2 bed flat in posh south kensington

### The Lady:

An absolutely stunning english blonde!

Very pretty face, long blonde hair, nice bum, a petite package.

### The Story:

In my opinion, Chloe is probably the best looking girl I have encountered in my punting years.

When she entered the room I was gobsmacked and even remember telling her 'a girl like you shouldnt be doing this'.

Not just a pretty face, her service was great too. She came across as a sweet and caring girl and seemed to be slightly on the submissive side which I like. She showed genuine enthusiasm and involvement in everything we did.

For the first time I dont feel like going into the intimate details but one thing for sure is that I will be totally hooked onto her!

Hope to see you soon, babe
