The Premises:

A private Flat, on a main road, buzzer entry. very discrete and safe. Metered street Parking right outside the front door. Never had a problem parking.

The Lady:

Phoebe is a Chinese lady. An independent escort, mid twenties. She is about 5'5" tall. She is slim, with a lovely figure. Perfectly proportioned. She has long silky hair a nice smile (she smiles a lot.) She is impeccably clean and only practices safe sex.

The Story:

I have visited Phoebe on at least six occasions. I have always had a good time. We have become relaxed in each others company and consequently the sex gets better and better. Phoebe provides a GFE with as much raunch as you could wish for, or can handle. I have no hesitation in recommending her. If treated with respect I'm she will please.
