The Premises:

A discreet terraced house on a fairly busy wide road not far from the town centre, between 2 restaurants. Feels safe in the daytime. Pay and display parking in the street and a multi-storey car park just over the road. Front door is usually unlocked and leads into a lobby where you buzz for access into the reception area. Friendly welcome from the owner and maid. Rooms are spacious and immaculate with ensuite baths, huge bedside mirrors and feel very private.

The Lady:

Susie is a really pretty 23yo Polish girl who has excellent English. Long dark hair with short fringe, beautiful heart shaped face and stunning blue eyes. Slender, lightly tanned body, soft smooth skin, she is immaculately groomed and smells delicious. Has a good selection of classy lingerie. She's the real deal GFE, just my type!

The Story:

Susie is beautiful in personality as well as looks, she has that perfect balance of letting you lead when you want to and picking up the baton to keep things moving along to their inevitable conclusion. LFK, covered oral, sex in many positions, pushes back rhythmically in doggy, very responsive to RO, she will get you there expertly whatever it takes, within her menu. She's not satisfied until you are.

Please treat this gem of a girl nicely, you will be rewarded!!
