The Premises:

Very nice flat in good area, close to Russell Square and Euston underground stations and easy to find. Bedroom very comfortable, better than many hotel rooms in fact.

The Lady:

Beautiful busty 21 year old girl from Estonia with natural 34DD's! Julia has long blonde hair and a super figure with slim waist and trim bottom. She is friendly, has a great personality and speaks very good English.

Julia says that she is quite new to this but I would never have guessed - maybe she's just natural GFE?

The Story:

I just could not resist those magnificent boobs so, after we had undressed, I had Julia rub them all over me, stopping occasionally to let me suck her hard, sensitive nipples - I could tell that Julia really likes having her nipples sucked and licked. We also enjoyed some DFK, which Julia is very good at.

As good as it was though, I needed some attention myself, so Julia took my hard cock in her mouth and slowly sucked me, maintaining good eye contact. Julia's blow job technique is really good, one of the best I can remember.

I could have easily just let Julia suck me to completion, but I just had to try her pussy as well. First we tried a 69, with Julia planting her lovely wet pussy on my face whilst she sucked my cock, then it was time for some fucking, which took place in a variety of positions - there's a copy of the Kama Sutra in the room, and we tried several of the positions after picking page numbers at random.

We finally ended up with Julia on top, fucking me hard and energetically, while I sucked on her fantastic boobs - it didn't take me long before I came very strongly, which really pleased Julia since she commented on how much I seemed to enjoy it. I had been tempted to ask if I could take the condom off and spray my cum over Julia's tits, but I was enjoying the fuck too much - maybe next time?

As I had a meeting a bit later in the day, I took advantage of the shower facilities before leaving - nice clean bathroom, lots of hot water, shower gel and a clean towel, perfect.

A nice deep kiss from Julia before leaving made this the perfect punt.
