The Story:

After my good quickie experience with Stacy, I decided to return and spend a little more time. It was a very good decision! She's warm, friendly, chatty but has a dirty laugh and a filthy mind! We indulged in lots of "interesting" things and she gave me food for thought for future liasons. Can't wait. Well worth treating well - she remembered me from a couple of weeks before and treated me to a very pleasant surprise.

Stacey's definately my favourite girl of the moment. Highly recommended.
