The Premises:

Parlour located off a main road in Bury.

Nice and tidy and reception seems to be well run offered drink when I went in. Had booked to see Sienna who was running a few minutes late but didn't mind the wait.

The Lady:

Sienna a polish lady is as described on the web-site and in the flesh is a good looking lady. She has a nice body but if you are a fan of big breasted ladies she might not be for you although it probably wouldn't matter as this can be very easily overlooked such are her looks and demeanour. Sienna also has a few tattoos which are not heavily done and are tasteful and some piercings. Her english is very good and is understandable.

The Story:

Offered use of shower whilst she popped out for a few minutes. I emerged from the shower just as she returned and dried off. Had a brief massage before she gave owo which was very nice. On with the rubber with her on top and she rode very nicely before we swapped into more positions. Got back into doggy position with her on edge of bed and she also let me insert a finger part way into her bum! Finally finished off it was a very good session with her it wasn't rushed and she was absolutely brilliant to be with.
