The Premises:

Her flat is in a good area near the centre of Blackpool. Parked car on drive and went in by side door. Felt very safe.

The Lady:

Beth is age about late twenties, nice looking with blond hair. She is about 5ft8in in her high heels. She is slim with nice big tits [But they are not all her own].

The Story:

We got down to it straight away, first she gave me oral without. She can do this not bad but I have had better. We had a brief kiss would have liked to have kissed her for longer. I then had a good lick at her pussy and clit, and spent some time fucking her with my tongue and fingers. She seemed to cum, but was very wet. We had sex in cowgirl, doggy then shagged in mish till I came. She is ok but felt a bit rushed may go again, sometimes better second time.
