The Premises:

Flat very close to the station, hence busy environment. Bus stops with lengthy queues nearby & close to pub! Plenty of people around the local shops & tube / train station. Therefore, although the entrance is slightly set back from the pavement, if you do not wish to be seen, this isn't the place for you....

Buzzed at door and quickly let in. Flat, suitable for purpose, on top floor.

The Lady:

Choice of three ladies (expecting two). First was a large West Indian girl, second a very slim 'Pakistani' girl and third, an African girl. Went for the slim, 'Pakistani' girl. Aged about mid-30's, pretty face, probably below a size 8, smallish beasts.

The Story:

Initial massage followed by excellent covered oral. Very attentive & certainly not rushed. Followed by sex in a couple of positions. Zara certainly joined in.

This was my first visit to this establishment. I understand that the rota changes quite regularly. Other than the location, which, as stated, is very public and pretty exposed, I would certainly return as the service is good based upon Zara.
