The Story:

A good experience. Megan is Lithuanian, and is recognisably the girl in the photos on the web site - though the photoshop team could not resist grafting an even more gorgeous pair of massive jugs onto her. Not sure why, as her own are big and firm enough for most tastes. Like most big breasted girls she is well upholstered in other places too, but is young enough to be firm and well toned. She is just 5 days into this new line of work (she said, and seemed plausible), and went about her work enthusiastically if inexpertly. Very satisfying OWO, real eye popping suction. Fuck from behind very nice, particularly when able to catch hold of those juicy swinging jugs. And she takes a good hard fucking well. I'm not sure how long she is staying in London, so get her while you can.
