The Premises:

Well known and reported on. Clean with a rear entrance which on my infrequent visits I always forget about, also has its own car park.

The one feature which might trouble the less resilient is the communal waiting area, but where better to pick up useful info.

The Lady:

A black beauty whose photos fail to do anywhere near justice with a firm body and very spankable bottom.

The Story:

Friendly, fun, naughty and a laugh. The perfect combination. Prices in this part of the world are excellent so the extra ?10 for OWO is well worthwhile and even more so the way in which it was performed, with real gusto. I think she loves to suck dick.

No sense of being hurried and plenty of asides to keep the engine ticking over. Finished with an excellent athletic cow girl. Will consider booking an hour next time, when I find an excuse to get on the M6 again.
