Wasn't entirely sure I was in the right place, but had some help. Free parking pretty close and a fairly discreet entrance.

The Lady:

Absolute pocket rocket bundle of fun.

The Story:

I'd found Louise on a Manchester based forum and after reading all her positive FRs she was on my list of ladies to see. Louise is full on with no messing about. I feel like I'd been hit by a whirlwind. Her service is raunchy with seeming few inhibitions. I thoroughly enjoyed my time with her.

Louise has a wild tounge which gets everywhere and I mean everywhere. She absolutely attacked me with DFK which was awesome. I have to mention her DT oral kills. brilliant.

There is a web link for Louise, but it's listed on the unmentionable site, so a bit of investigation is needed to find her.
