Along a passage and through a door to the left

You climb the stairs to a security gate at the top where once you ring the bell

The receptionist lets you in and introduces you to the lovely ladies working

Refreshments are offered on arrival

The Lady:

Cara is a very very petite brunette size 6 with 34b breasts with a body that is in need of attention from all admirers of the finer form

She is a sweet 18 year old with a definite wicked and sensual personality and not at all shy

Very charismatic and vivacious

The Story:

First time

I have seen this girl and I can say will not be the last time her tender tantalising touch is to be enjoyed whilst massaging my back

I returned the favour rubbing down between the thighs she straddled and massaged

My member I opted after this by RO and into cowgirl and finished off with very gentle hand relief this she did with expertise bringing me to the edge and eventually I finished off by hand
