The Lady:

Slim,dark hair,about 5'7 Italian girl.Possibly early twenties.

The Story:

She was friendly enough to begin with but while I was in the bathroom before we started she apparently banged her leg.I commiserated with her and we got on with the service after I paid her,However, she was now less than friendly and I can only think she was taking her accident out on me.

The "massage" was heavy handed despite me repeatedly asking her for light massage.I then went down on her and after about 4mins she indicated I should stop.She then gave me probably the worst BJ I have ever had.How I managed to come I will never know.At the end she was using her teeth and left me quite sore.She then spat noisily into a tissue.She seemed surprised when I said I was not happy with the service.

One of the worst punts I have ever had.I would advise you to avoid her like the plague.
