Beautiful girl next door. Elegantly dressed - wonderful skin complexion, smile and lovely shampoo commercial hair.

The Story:

I originally arranged to meet Renata from London XM where she went under the name of Laura. As described above very attractive lady but was a bit dissappointed when I undressed her as she was not a size 8 as detailed in the agency website but more of a size 10. Otherwise no complains - nice OWO and sex in various positions followed by a second round of the same. I would not hesitate in recommending Renata/Laura but probably will not see her again as I am not the biggest guy and prefer more petite girls.
