The Premises:

Sanji works from a comfortable and clean flat. Best to park in one of the car parks near Wimbledon station.

No problems with safety, although entrance to the front door is exposed to public view.

The Lady:

A mature indian lady with a voluptuous figure - strongly recommended for boob men.

Unlike most working girls, Sanji keeps a respectable thatch of pubic hair - which personally I rather like.

The Story:

Sanji is one of the best punts I have had for a long time. She has no problem with deep french kissing and I would rate her oral skills as absolutely outstanding.

Sanji gives every impression of thoroughly enjoying her job and her enthusiastic tongue reached parts which have not been reached for a very long time.
