The Premises:

Rather shabby downstairs but much better in the "work rooms" upstairs. The front room, which we used, is very large, clean and airy. Plenty of free parking nearby and on a bus route.

The Lady:

Voluptuous Indian girl in her twenties.

The Story:

What a sexbomb! She clearly enjoys her work and it really shows. Only jarring thing was her continually asking "was that nice", of course it b*****y was! Plenty of foreplay followed by sex in several positions. Just a shame that she works Sundays which makes it rather difficult for me to see her more!
