The Story:

Found Candy's number in newsagents on Deansgate, which seems to be a good source of such adverts. Afterwards I found she has a profile on the infamous Site Which Must Not Be Named. Candy is older than she claims, but was friendly and welcoming, and I got a good feeling about her. I was relaxed in her company, and found her easy to talk to, especially as we discovered we had grown up in the same Midlands town. She is very obliging, there was no rush, and I gave her a massage then spent ages playing with her pussy (trimmed hairy) before I could hold out no longer. She has the legs, arse and fanny of a 19 year-old and is a genuine person who enjoys what she does and knows how to please. She's also unbelievable value for money, and I shall definitely return. Thanks, Candy, for a memorable time.

Note: Candy only works part time - currently Thur, Fri, Sat, Sun.
