### The Story:

absolutely stunning massage.....she is a proper masseuse. I wanted that and thats why I went to ego massage rather another Mk parlour.

great massage....I went for an hour ...after 15 minutes I asked it to be increased to 1.5 hours which they were able to accommodate.

She is really really good....tantric sensual experience.....massage at its best. I was left exhausted and completely satisfied.....

she is a star: a really lovely sensual girl who has a gift and very gifted fingers as well being lovely
