The Lady:

Early twenties, short (five-fourish), blonde, short hair, neat, nice body, nice boobs - artificially enhanced, but a decent job - all-in-all a nice looking woman.

The Story:

Wanted to see Tammy (see FRs), but she was not available, so on the mental flip of a coin decided to give Roxy a try. I'd seen her before when visiting Tammy and she'd been friendly and all smiles. In the room she was as miserable as sin. No conversation, wanted an extra tenner for OWO, then could not be bothered to do it properly. Her general unpleasantness hindered my erection (I have to have at least the illusion that the girl is friendly - I'm funny like that), so she, of course, made things worse by complaining that IT was soft. In the end she finished me off by hand and I was out of there in 20 minutes.

I really hate girls like this. Fortunately there are relatively few of them in Manchester. Gentlemen, take my advice, do not touch Roxy with a barge (or any other) pole - there are many much better girls around.
