The Premises:

Safe area near the prison, address regulary used for this purpose. House located nextdoor to a pay & display carpark. House appeared clean. Welcomed in by a friendly yound maid.

The Lady:

Pictures on other site are fairly accurate and description same. 5'4", size 8/10, 36dd, slim, blond. Age says 25, more likely 35. Wearing cheap lingerie with fishnets. Attractive until up close and she has lots of scars, especially on her very plastic tits.

The Story:

Here we go again. Dick instead of brain! Met Camilla and agreed oral without for ?80, thought she lokked attarctive. But once close to her the scars were very obvious. She started with a sexy dance which frankly almost made me laugh. Then straight into oral without standing up which was ok to start with. I needed some additional stimulation so asked if the maid would watch. Camilla said yes for extra ?20. She then went and got the maid. There is something about having two girls in the room! All the maid did was watch whilst Camilla sucked me off, I concentrated on looking at the maid, a shame watching was all she did. Felt the sap rising and said I was going to come and Camilla moved my cock to her tits and wanked me furiously, I came with a very poor orgasm, just too much wrist speed! Dressed & left. Not my type, others may enjoy. Very overpriced.
