The Premises:

Amy lives on a council estate between Heathrow Airport and Hounslow. Despite that, it is safe to walk around. She lives on the 7th. floor of a tower block and has to "bell" you in.

The decor in Amy's flat was light and pleasant

The Lady:

A young slim pretty girl that shows her face (on the other site) and that is what hooked me in. In the flesh, she looked a little worn but I still think she looked good. Well plonkable!

The Story:

Amy charges ?60 for 30 minutes and ?80 for the hour, so I opted for the hour. After taking my money, she disappeared for over 10 minutes as I got undressed. I presumed she must be dolling up for me. No such luck (I guess I am not worth it); she came back exactly the same.

She seemed very distant and was drinking a bottle of beer. It was like I was not there. I tried some conversation in an effort to be friendly but Amy had deaf ears. OK, I am only there for the shag, so taking the initiative I tried to undress her and I managed to get her bra off. That is as far as I got. She just sat there drinking her beer with no response to me.

It was then I stated this is a waste of both our time and I asked for my money back. She said no as I had been there for 20 minutes already. She then accused me of making her feel bad, since I was not getting turned on. I had had enough. I got dressed and left sharpish. There are some lovely working-girls out there and I have had the fortune to meet some. This is one to avoid. I was ?80 poorer for a strange experience.

I need to warn my fellow punters, don't get pulled in by a pretty face!
